Fedora in a nutshell

Contributor-centric: why, how, what

fedora^f

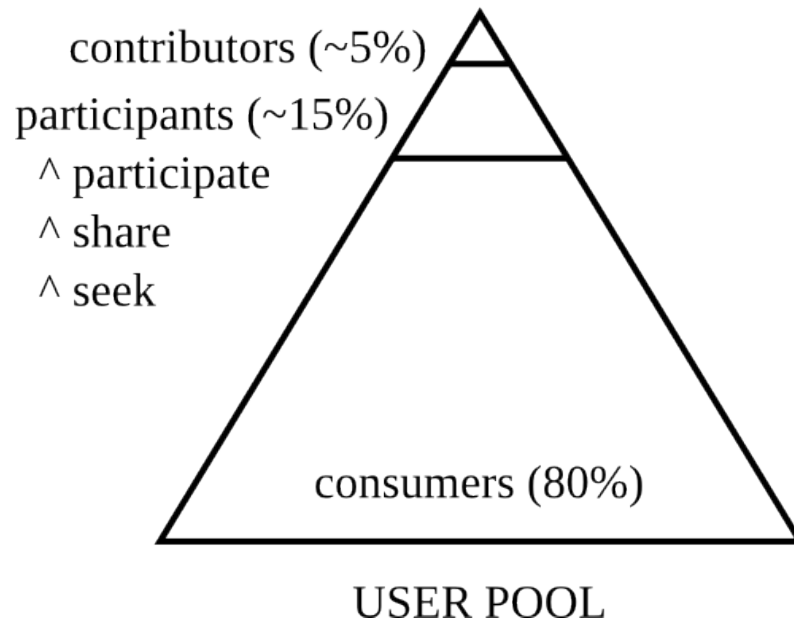

Why focus on contributors?

fedora^f

SCUBA, anyone?

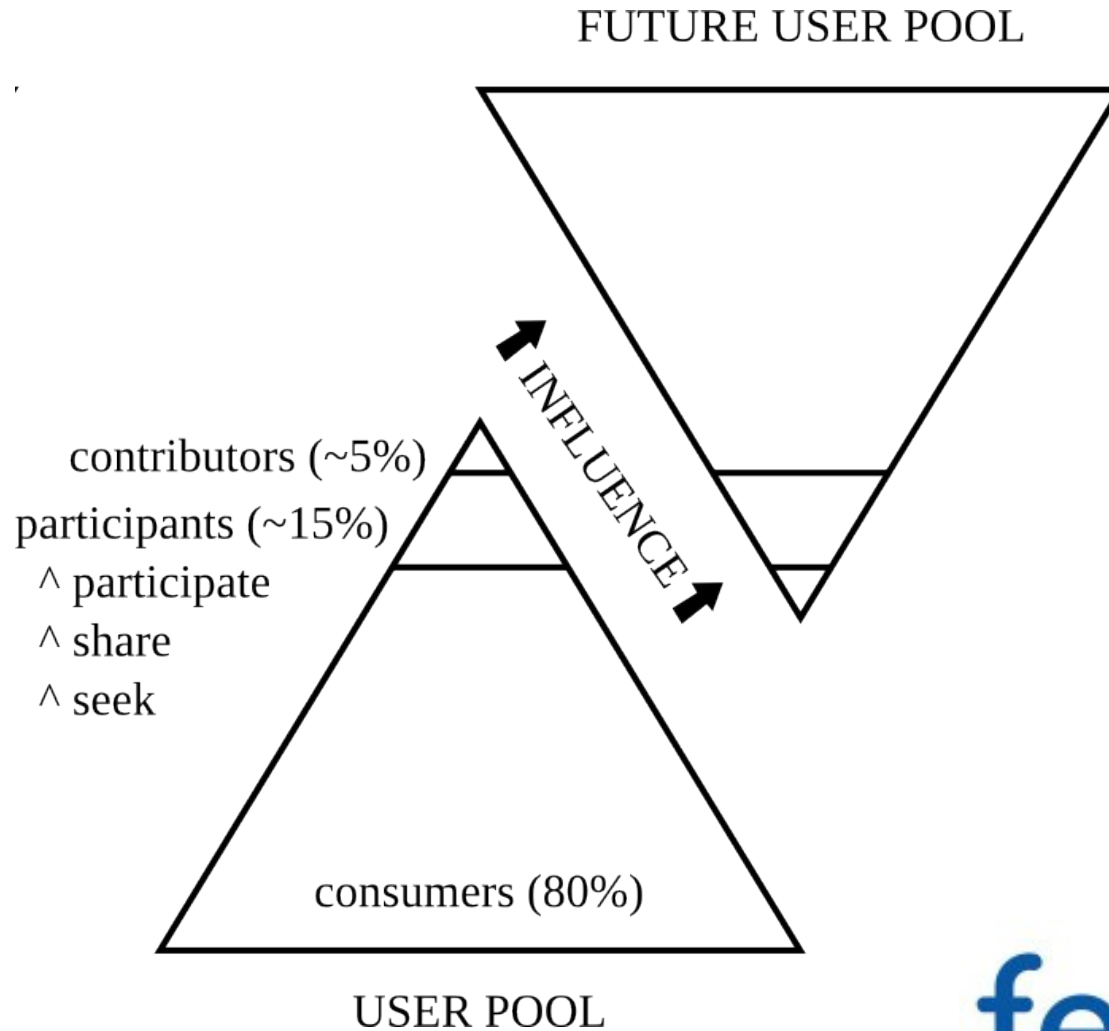

fedora^f

Communities of participation

fedora^f

Communities of participation

fedora^f

Upstream communities and “ecologically sound” practices

fedora^f

Producing measurable results

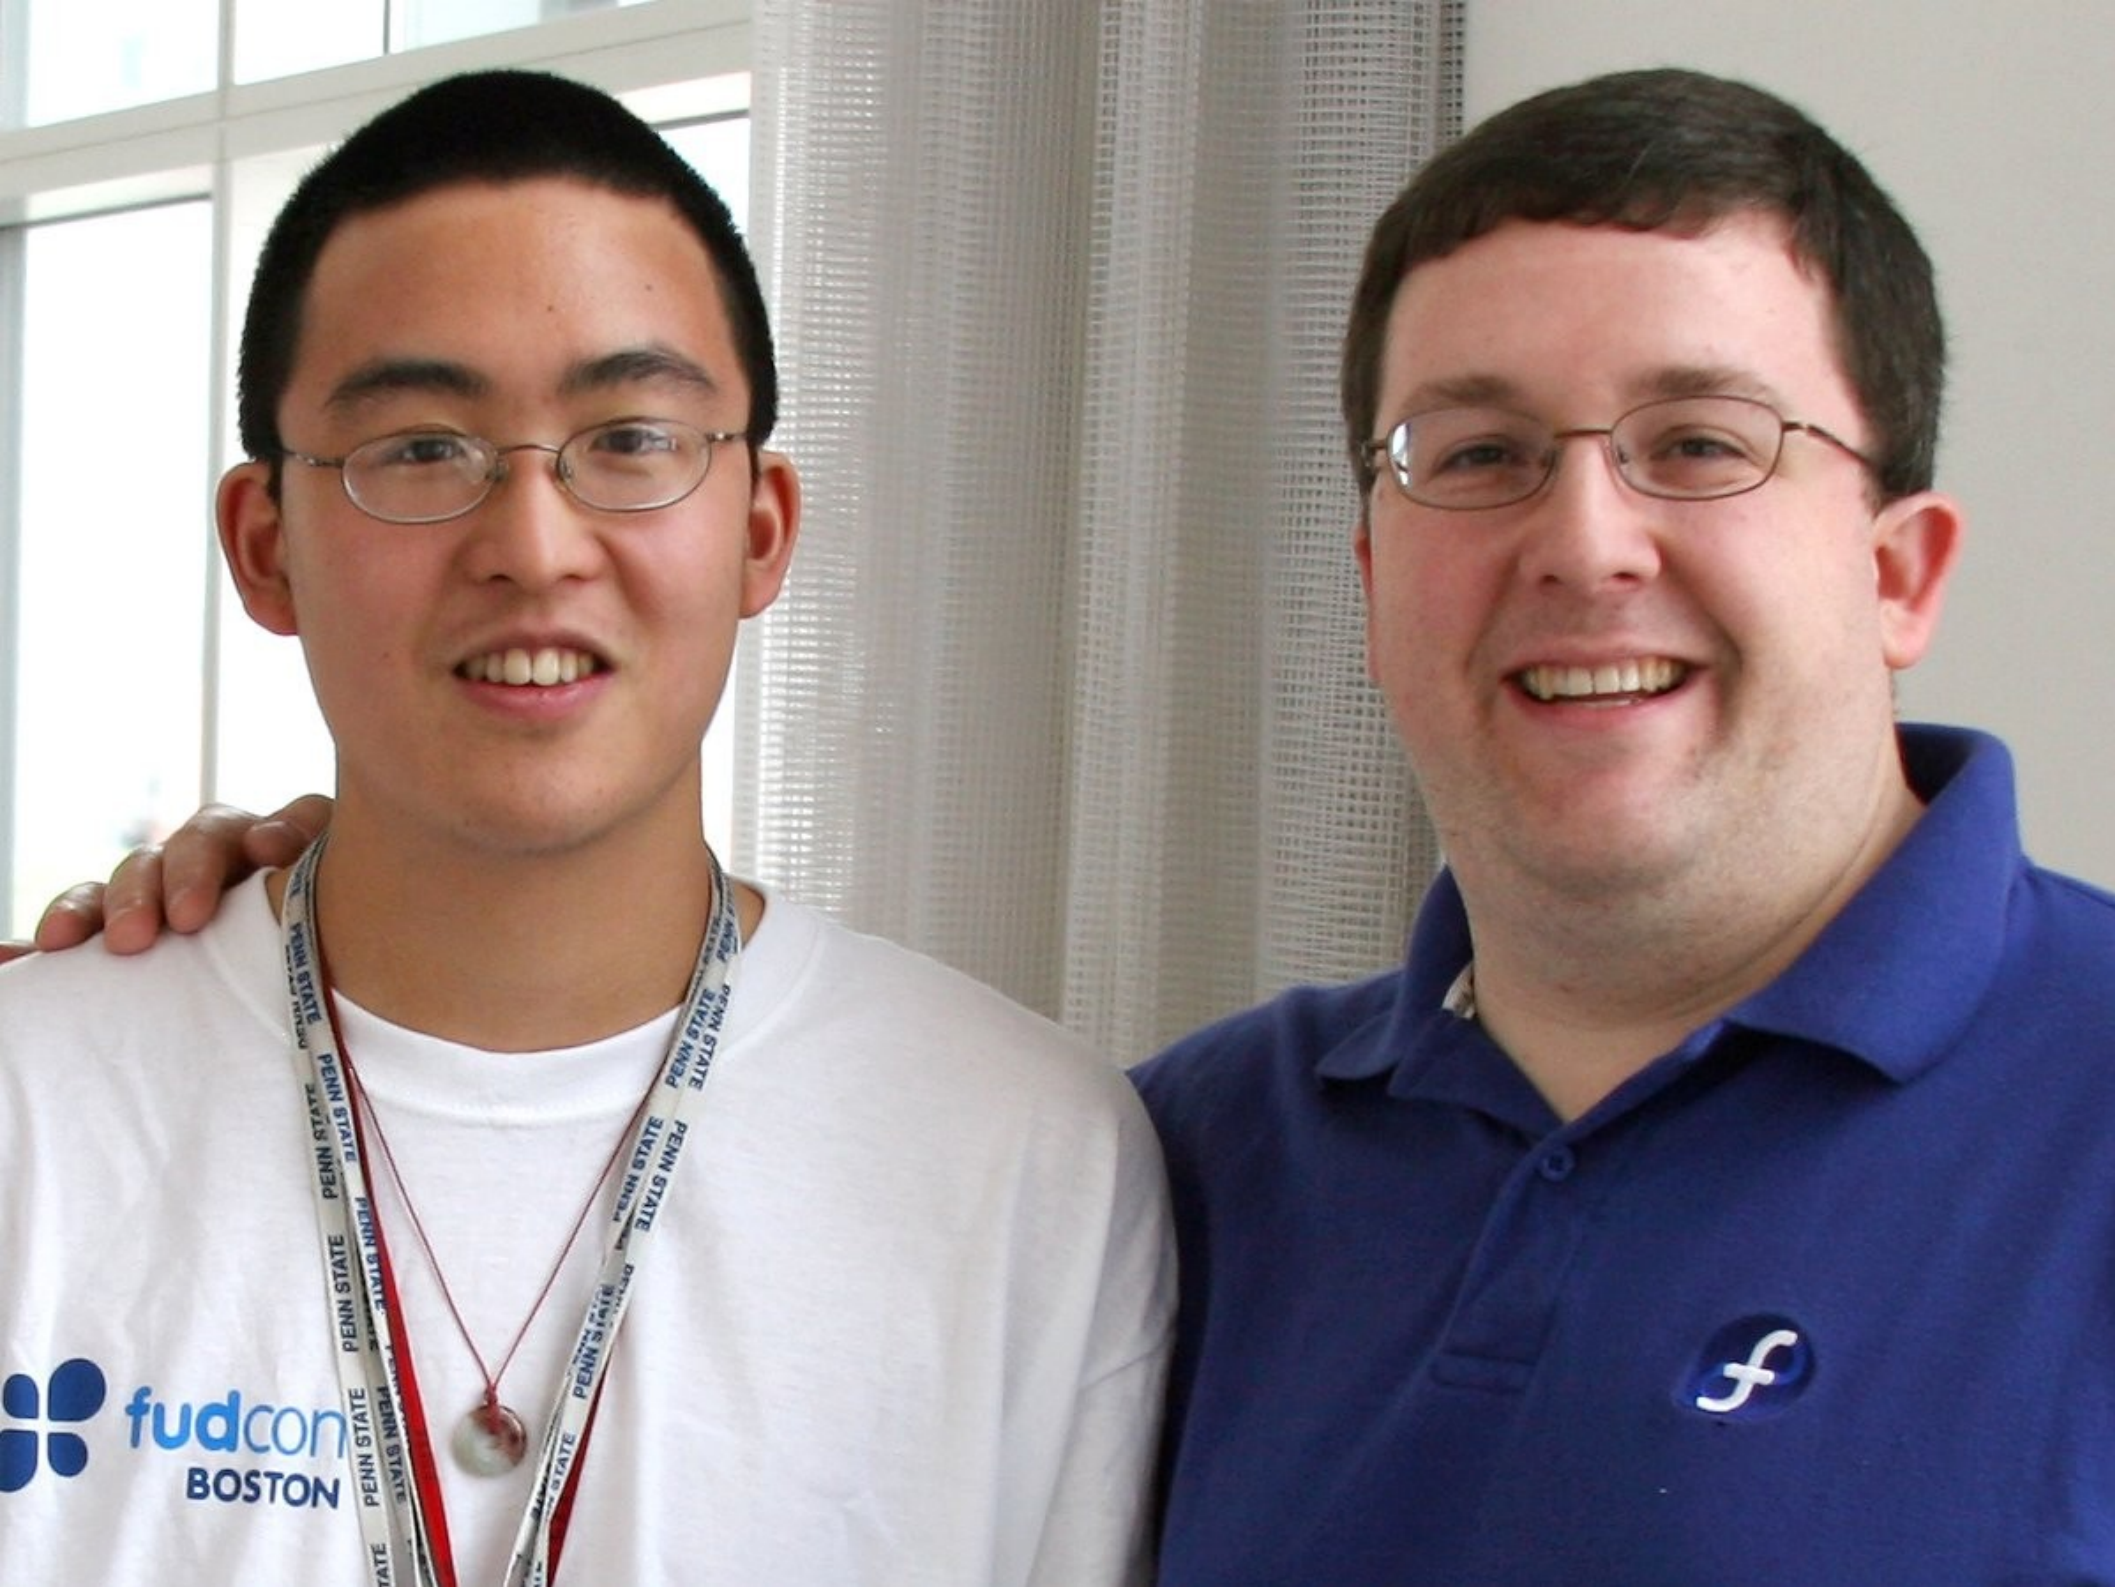

fedora^f

Infrastructure, MirrorManager

Community-run website

fedora^f

Maximum transparency

fedora^f

Communities are teh awsum.

Engaging contributors

fedora^f

Set measurable milestones

fedora^f

**What is one achievable goal
for the next few months?**

fedora^f

**What is the next action
required to get there?**

fedora^f

Who is going to doing it?

fedora^f

GET OUT OF THE WAY

fedora^f

Seem sort of regimented?

fedora^f

Retrospect can be motivational

fedora^f

**Have a long term strategy for
growing participation**

fedora^f

The temptation of Band-Aids

fedora^f

“Hit by a bus”

fedora^f

“Won the lottery”

fedora^f

“Eaten by raptors”

fedora^f

Getting out of the way (redux)

fedora^f

**Growing community ~=
compounding interest**

fedora^f

Takes willpower

fedora^f

Must work at it regularly

fedora^f

**It's never too late to start.
The earlier, the better.**
